IICc	自 動 化 檢 測 功 能 類	製作日期：2017/11/20

1. Automatic Measurement of Length、Width、Thickness
2. Automatic Measurement of Warpage
3. Automatic Measurement of Transparency
4. Automatic Measurement of IR (Infrared Radiation) Holes
5. Automatic Alignment
6. Up of fourth decimal point or more
7. Automatic Microcode Iinterpretation & Decoding
8. Automatic Classification
9. Can be Stored
10. Can be Tracked
11. Automatic Checkout
12. Automatic Statistical Analysis of Causes of Defect
13. Uniform Procurement of Specifications
14. Uniform Acceptance of Specifications
15. No return、No refund、No rework
16. Online Direct Purchase
17. Ship to Stock
18. The Inspection is Fully Automated
19. Uniform Quality Standardization
20. Cut Costs
